1 Corinthians 15:1-8 (New Living Translation)

The Resurrection of Christ

15 Let me now remind you, dear brothers and sisters,^[a] of the **Good News** I preached to you before. You welcomed it then, and you still stand firm in it. ²It is this **Good News** that saves you if you continue to believe the message I told you—unless, of course, you believed something that was never true in the first place.^[b]

³I passed on to you what was most important and what had also been passed on to me. Christ died for our sins, just as the Scriptures said. ⁴He was buried, and he was raised from the dead on the third day, just as the Scriptures said. ⁵He was seen by Peter^[c] and then by the Twelve. ⁶After that, he was seen by more than 500 of his followers^[d] at one time, most of whom are still alive, though some have died. ⁷Then he was seen by James and later by all the apostles. ⁸Last of all, as though I had been born at the wrong time, I also saw him.

1. (**May 25th**) (Paraphrased) After I've written about the correlation of the visions of a flood overtaking Death Conqueror and rain falling down on Glory with the verses Deuteronomy 11:10-11, I hear a guy say: **Aaj isne mujhe meri aukat dikha di. Aaj mujhe meri aukat ka pata chal gaya.**
2. (**Past two days**) The upper half of Death Conqueror in a white tunic in a dark background as he says referring to Elon Musk while I'm reading an article about something related to him: **He's your boyfriend! He's your boyfriend!** The vision has repeated a few times throughout the past two days.
3. (**Jun 1st, Day**) Elon Musk in a blue suit over a white shirt in a dark background as he says: **You don't know what you've done to me. You don't know what you've done to me.**
4. (**Jun 1st, Late afternoon**) As I'm lying in bed, I hear the following song lyric play.
The Guy sings:
**Mujhe teri mohabbat ka sahara mil gaya hota..
Agar toofaan nahi aata.. Kinaara mil gaya hota..**

Later in the evening, the following lyrics play:

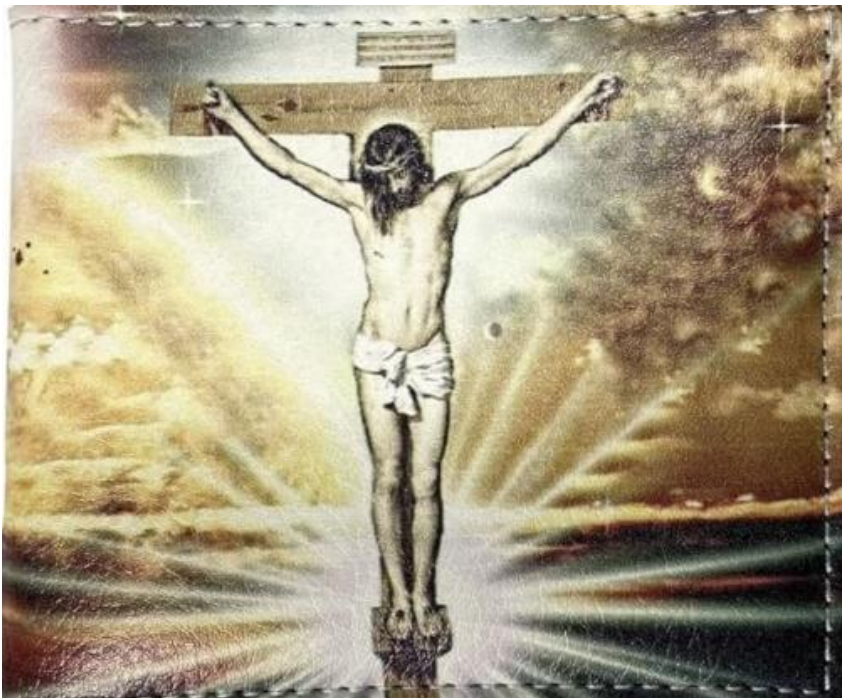

**Mubarak ho tumko ye shaadi tumhari..
Sadaa khush raho tum.. Dua hai humari..**

The Secret Place Revelations

5. The side-view of a tall, wide, and muscular fluffed man dressed in a half-sleeved black fitting t-shirt over black trousers, as walking to the left inside the building of the administrative block of the university lying on the left of The Royal Canteen, he raises an arm towards the lift as he walks past it with his head turned away from the viewer towards it.
6. A semi-animated vision of my supervisor being represented as a dark brown horse as I sit on top of her and she runs to the right carrying me. As we are well ahead on our path, I see our enemies behind us by enough distance for them to not be able to harm us in any way as we are moving forward at great speed. It makes me wonder if I'll be able to complete my PhD in time. I see us cross the finish line successfully with none else in sight. As soon as we cross the finish line and I see the label completed flashed on the scene, I see an abrupt blast at the place of my heart revealing my heart open as I fall off her on the ground with an open center of my chest as my heart and the outpouring blood is clearly visible to the viewer, while she runs to her family, Sanjay Sir and their daughter standing some meters away ahead along the lane.
7. The upper half of the dusky man in black in a white sweatshirt in a dark background as looking down at me, he says: **Humein mat dekho, Kartika. Hum bahut bade hai. Humein mat dekho. Hum bahut bade hai.** It repeats a few times.
8. I ordered the following wallet and instead of receiving the one with the print of Jesus crucified, received one with the print of Jude or Judas Thaddaeus out of the two prints that were shown on the website, and it was the only one left and therefore couldn't be replaced by the other print having Jesus on the cross.

The Judas Print

I look up the Judas printed on the wallet and find that he is Jude - another one of the disciples of Jesus - who was also called as Judas Thaddaeus. The fact that his name is also Jude makes me recall this song Hey Jude that was highlighted to me somewhere within the past week as its chorus began playing in my spirit.

9. I hear my mom's voice say: ***Bete papa phod denge tujhe. Apna kaam karle.***

20:26

10. What was also highlighted to me yesterday was the info in the About section of the culprit where he has written that he's a reconnoiter of *truth and sensibilities* and how it went together with me consistently calling him *Badtameez* whenever I hear a whispered Uff or Wow or feel the drones moving. He possesses no real moral sensibilities, and look at the false and hypocritical statement he's written about himself.

The Secret Place Revelations

11. (Past few days) The blurry upper half until slightly below the shoulders of Death Conqueror in a yellow tunic as he says: ***Tu autistic hai. Tu autistic hai.*** It repeats several times.
12. The front right side view of a golden photo frame vertically balanced on a table around the dining table in the hall of my parental apartment with a garland of orange marigold flowers around the frame and the frame carrying my dad's face until his throat with his eyes turned to the right direction as only a part of the photo showing his eyes looking to the right is visible for the rest of it is covered by another smaller identical photo frame resting against it carrying the same photo with a marigold garland around it as well, as several such identical golden frames, each slightly smaller in size than the previous one, lay resting against one another in a straight line extending to the left on the table with the entire structure slowly decreasing in diameter.
13. (Past week) A small-framed vision of a chubby toddler in a well-lit background yawning with a wide-open mouth.
