## 1 Corinthians 15:1-8 (New Living Translation)

### The Resurrection of Christ

**15** Let me now remind you, dear brothers and sisters,<sup>[a]</sup> of the **Good News** I preached to you before. You welcomed it then, and you still stand firm in it. <sup>2</sup>It is this **Good News** that saves you if you continue to believe the message I told you—unless, of course, you believed something that was never true in the first place.<sup>[b]</sup>

<sup>3</sup>I passed on to you what was most important and what had also been passed on to me. Christ died for our sins, just as the Scriptures said. <sup>4</sup>He was buried, and he was raised from the dead on the third day, just as the Scriptures said. <sup>5</sup>He was seen by Peter<sup>[c]</sup> and then by the Twelve. <sup>6</sup>After that, he was seen by more than 500 of his followers<sup>[d]</sup> at one time, most of whom are still alive, though some have died. <sup>7</sup>Then he was seen by James and later by all the apostles. <sup>8</sup>Last of all, as though I had been born at the wrong time, I also saw him.

### 1. Recall the following revelation from March 4th, 2024:

#### [The Murrabba Seed](#)

- A dark brown Amla Murabba seed is lying on the ground in a white-lit background. Someone ate the Murrabba and threw that seed on the ground. It seeps into the ground and blooms into a towering full-grown Murrabba-colored tree as seen from below a white background out of which sprouts forth several sweet Amla Murrabbas dripping with sugar syrup.

#### [1. Glory in My PG \(Shadow Revelation\)](#)

**Dream** (Room D1, Mid 2022): I was on the roof of my PG in a loose white T-shirt and black pants with my hair tied low at the back. I saw some luggage bags resting on the roof near the door, and there was a black laptop slip-on bag lying on the top of one of the suitcases. I went inside the roof door and saw a black bag with a sky-blue lining resting on the floor whose zip was open at the side. I closed it up and looked to my left where Glory was sitting some stairs down on one of the stairs with his laptop open in his lap. He too was wearing a loose white shirt and black pants and was looking at me with his head turned slightly backwards when I told him that his bag's zip was open so I closed it.

I went to him and sat next to him to his right on that stair and looking at his laptop asked him, "What are you doing?" He said something. The next scene had our positions exchanged. I was sitting next to the wall and he was sitting to my right as we were looking at each other. I said in an innocent sarcastic tone pointing at my eye with my finger, "Khyati, do you know, when I was with Tejaswi, I

saw the EYE OF DEVIL." He replied in a resentful tone, "Mujhe Nahi Sun Na". I replied back, "Bas ye ye", to which he replied "Nhi" in a firm tone. Then I observed his innocent expressions for a while as we both were silent. I could tell that he was slightly pissed.

After observing him for a while, I moved my head toward him and started kissing him and he kissed me back. He was trying to tilt his head to his right while I continued kissing him but I eventually tilted my head to my right after which he inserted his tongue in my mouth and as our tongues rubbed against each other, they felt too clean with a minty flavour. We started tongue kissing back and forth and our heads were moving in synchrony. I saw myself aroused to an unusual extent.

My advancing behavior in the revelation seemed so out of the box to me when I first had it but it also showed a part of the truth that only God knew and that which I hadn't exercised by far with anyone.

I was now standing a few stairs below him with my upper body half bent, still kissing him. We continued tongue kissing and then he moved his palm near my pants about to put his fingers/hand inside the pant. And as he did I thought, "Thank God, I shaved a few days back." I could tell that I wasn't wearing a panty and also that my belly was somehow very much flat because I didn't feel any bump at the junction when he was hovering his hand on it ready to insert it in. I too moved my hand in the same manner as him above the belt of his pant about to put it in. We were both still kissing when the vision changed to now me sitting alone on one of the stairs.

I went up to the roof again and found him standing still by the steel railing with both his hands outstretched and resting on them. He seemed to be consumed in his thoughts. I ran slowly towards him in a manner I didn't believe was me running, because I ran with my feet going in outwardly opposite direction. When I reached near him, I took his hand above from the railing and quickly put in on my shoulder, and put mine on his waist. We both were then looking down on the road and were observing the vehicles passing by. I saw a bike with two people pass by on the road. The man on the back was wearing a red and white striped shirt. (I guess the chase was still on in that dream.) I then said to him in a low but serious tone, "We should get married." to which he replied in a cautious tone, "I've to find a job first.", still looking forward. I quickly replied back to him, "You can find a job later! My brother (referring to my middle brother) needs to find a job first because he is unstable." The scene then changed to my middle brother listening to music on bed and dancing crazily while sitting. The dream then ended.
