1 Corinthians 15:1-8 (New Living Translation)

The Resurrection of Christ

15 Let me now remind you, dear brothers and sisters,^[a] of the **Good News** I preached to you before. You welcomed it then, and you still stand firm in it. ²It is this **Good News** that saves you if you continue to believe the message I told you—unless, of course, you believed something that was never true in the first place.^[b]

³I passed on to you what was most important and what had also been passed on to me. Christ died for our sins, just as the Scriptures said. ⁴He was buried, and he was raised from the dead on the third day, just as the Scriptures said. ⁵He was seen by Peter^[c] and then by the Twelve. ⁶After that, he was seen by more than 500 of his followers^[d] at one time, most of whom are still alive, though some have died. ⁷Then he was seen by James and later by all the apostles. ⁸Last of all, as though I had been born at the wrong time, I also saw him.

1. **Prajwal Revanna, The Two Guys and Sai Baba**

(Past two weeks) A small-framed vision of Prajwal Revanna dressed in a white tunic set sitting on a chair with two men standing, one on each side in front of him facing the center, both dressed in a white tunic set, as behind him stands Sai Baba wrapped in an orange drape in front of the background of a wall with a poster. It seems that it's some kind of stage. Sai Baba moves sideways behind Prajwal Revanna while holding a stretched garland of flowers which he stretches against the mouth of Prajwal Revanna from behind pulling him backwards.

2. **Don't Have Anything To Do With Me – I Am a Servant**

(Past week) I see the scenario of me being forced to live with Death Conqueror and Akhila. I am sitting on a chair in a separate room. Akhila comes to ask me to join them for something they are doing together, some celebration or 'fun' activity. I tell her that I don't have to join them in anything for I am a servant and I, therefore, I don't have to be a part of anything that takes place in the house. She begins to badmouth me and calls the short fellow. I tell them that I don't have to be a part of anything!

3. **(Yesterday) Mein tujhe uske saath nahi rakhunga. Mein tujhe uske saath nahi rakhunga. Tu uske saath nahi reh paayegi.**

The Secret Place Revelations

4. A blurry figure of Death Conqueror flashes as he says: ***I've been rejected for forever. I've been rejected for forever.*** It repeats for a while.

5. **Mein Accha Gata Hu.**

As I'm sitting in bed and recording HalleluYah, I see a small-framed vision of Glory in a boxy light blue shirt untucked over pants outside as he says that I sing well. I then see the upper half of Death Conqueror in a white tunic in front of me above as he says: ***Tu accha nahi gaati. Mein accha gaata hu. Tu accha nahi gaati. Mein accha gata hu.*** It confuses me.

6. **Red Love Hearts Pop Out of Ears**

A semi-animated vision of the upper halves of the duo in black and white suits in the air above on the left side of my bed as red love hearts blow out of their ears and pop after reaching a size of 4-6 inches. As I continue singing, I see red love hearts blow out of their ears, increase in size and pop. It keeps repeating intermittently.

7. The song Rockabye gets highlighted to me and I look it up on the Smule App. I then recall that I had come across this recording previously as well when I first began using the app. I feel a nudge to record this song as well as it carries the red and white mark. The lady is dressed in a white sweatshirt sitting in front of the red curtain. I record the same and somewhere in the middle recall the following previous revelation I had in room D1 of A-16 written on Page 115 at #2 as I just looked up.

'Vision (1-5th Jan 2023, Past week): Jesus cradling an infant (me) in his arms swinging me from left to right in quick motions while holding me close to his chest. He was dressed in white and I too was wrapped in a white cloth.'

Jesus was rocking His child in his arms in the revelation.

As I'm sitting on my chair with my phone put in place to record HalleluYah with a Christian brother on Smule, I see Paras Patel in a suit behind me as he bends down to the level of my right ear and says: ***You're looking extremely foolish.***

[Leonard Cohen - Hallelujah by SPTc RicardoMva and KarPan001 on Smule: Social Singing Karaoke App](#)

Glory says that I'm a singer. It repeats several times.

Death Conqueror says that I sing really good.

The Secret Place Revelations

8. The upper half of Death Conqueror in a white tunic is flashed as he says: ***Tune mera dil tod diya. Tune mera dil tod diya.***
9. The upper half of Death Conqueror in a white tunic as he repeats: ***Maine tujhe acche se treat nahi kiya. Miane tujhe acche se treat nahi kiya.***
It is followed after a while by: ***Dil dukhaya hai maine tera. Dil dukhaya hai maine tera.*** As I'm now sitting at Shalini's on the first floor, the vision keeps repeating for a while.
10. ***Vo mere bacche ki maa ban ne waali hai aur tu ek raand ban ne waali hai. Vo mere bacche ki maa ban ne waali hai aur tu ek raand ban ne waali hai.***
11. A bald man with sharp features in a grey Buddhist monk attire revealing his naked shoulder on one side stands in a white background. The vision then shows the monk having a protruding belly hidden behind the grey wrap across his shoulder.
12. The upper half of the fat and bald middle man in a brown shirt says: ***Chamak gayi. Chamak gayi.***
13. ***Pair kaat dunga. Pair kaat dunga.***
14. ***Pairo tale zameen khisak gayi. Pairo tale zameen khisak gayi.***
15. Surjeet dressed in his orange polo t-shirt untucked over denim says: ***Hum apko samajh gaye hai. Ab apko koi dikkat nahi ayegi.***
16. ***Bye Kartika. Tu kabhi nahi badlegi.***
17. ***Mein tujhe nahi hara sakta.***
18. As I'm recording the song Rockabye on Smule that I shared above, I hear: ***Aise gaana tune kaha se kaha se sikha. Aise gaana tune kaha se sikha.***

That's exactly you. The dusky man in black in a black and white suit says referring to the singer Anne Marrie in the white sweatshirt in the recording.
19. A blurry figure of Death Conqueror flashes as a voice says: ***Mein bahut gwaar hu. Mein bahut gwaar hu.***
Mein bahut jyaada gwaar hu. Aaj mujhe realize hua.

The Secret Place Revelations

The song reminded me of the revelation I wrote about in A-10 in which I saw Friends being written in white on a dark background referring to Death Conqueror.

21. A voice says to me: ***Khiladi. Khiladi.***

Khiladi hai tu khiladi.

22. The upper half of Death Conqueror behind me in a white tunic with player written on his forehead as he floats backwards.

23. The lady in the song keeps repeating to Marshmello that he's more like her brother and nothing more than a friend!

You played me big time Kartika.

[Marshmello & Anne-Marie - FRIENDS \(Music Video\) *OFFICIAL FRIENDZONE ANTHEM*](#)

24. As I'm listening to the song, I see the upper half of Death Conqueror flash behind me with him carrying a bewildered expression as he says (paraphrased): ***I'm going, Kartika. I don't want to die. I'm going, Kartika. I don't want to die.***

25. As I'm listening to the song Friends by Anne Marie, I hear a guy's voice say: ***Mujhe tu nahin chahiye.. Mujhe tu nahi chahiye..***

26. I say that Death Conqueror is a sugar daddy to many women, that he financially supports women in exchange for sexual relations, and how cheap and disgusting it is. I then see the side-view of the face of the dusky man in black on my right as he says quietly: ***He'll kill you for being this real.*** I also see him flash as he says: ***Bye..***

27. (Paraphrased) ***Dekh tujhe kaise marwata hu. Dekh tujhe kaise marwata hu.***

The Secret Place Revelations

28. As I'm sitting in bed, I hear: **Maine is ladki ki zindagi barbaad kardi. Maine is ladki ki zindagi barbaad kardi.**
29. **Vision:** A golden ring, less than half a cm wide in vertical width, with a circle at the front on its rim inside the empty space of which are molded the letters MP. The M flies away to the left and is replaced by K with the letters now being KP which then flash changes to KKP and stays so.
30. **Haath cutne waale hai tere. Haath cutne waale hai tere.**
31. I see a series of words written in small white English font in small vertical lists on a dark background as the focus shifts from one such column to another. The changing focus of the vision then ends at the word Dharayukt written in small white Hindi font.
32. Somewhere while recording the videos, I see the upper half of Glory in a red and white suit as he says looking at me: **Hijdaa. Hijdaa.**
33. Earlier during the day, as I'm washing dishes, I see the dusky man in black in a black and white suit flash as he says to Death Conqueror: **You've broken her heart. You've broken her heart.**
34. When I lay down to sleep, I see:
A small-framed vision of the top view of singer Anne Marrie with neck length medium blonde short hair in a light brown shirt lying in bed.
