

## 42. Y - My Testimony

08 July 2022 00:59

It was towards the end of 2020 when I was watching a YouTube video on 'missing stars' and other things suggested by a friend. The video had caught my interest because of its seemingly scientific bent and the idea of missing stars just seemed hard to believe at first. But then I searched about it and found that what that lady was mentioning had indeed happened and there was no explanation found for it.

Somewhere in the middle of watching that video, I started seeing a white 'Y' on a white disk, and the 'Y' was glowing in soothing radium Pink in a dark background. I didn't understand at first what that meant. My first thoughts were it may stand for God's name Yahweh or Yahusha. But after a few weeks, I found out as I watched more videos on the matter that it actually meant 'Nail' in the Hebrew that the Bible was originally written in. The Hebrew name of God used in the Bible, even way before Jesus came, consisted of 4 letters which are read from right to left and mean 'Hand Behold Nail Behold'. Even the name of Father God that they used bore witness to His future coming as Jesus when His hands would be pierced by nails. This is the way He chose for Himself to sacrifice Himself for our sins.

God took the judgment of our sins upon Himself by coming into this flesh-system as fully God and fully Man - Jesus. His sacrifice was an expression of His LOVE for us as He wanted us to be guilt-free before Him. He forgave our sins and still stood as the righteous Judge by suffering for our iniquities in return, so we can have eternal life with Him in Heaven in our 'new glorified bodies'.

PRAISE YAH!!!
